72°C Hygiene Wash
The dishwasher sprays high-temperature water during the wash cycle, effectively eliminating loads of bacteria and germs.

Height-adjustable Upper Basket
Adjustable upper rack in the dishwasher accommodates diverse dish sizes, offering flexibility for loading dishes, glasses, utensils, and cookware.

Dual Zone Wash Function
Conserve energy by utilizing either the upper or lower rack when your dishwasher isn't fully loaded.

Auto Open & Close
Upon completion of the cycle, the dishwasher's door open & close automatically, facilitating efficient steam release and thorough drying of dishes.

ECO Mode
Enjoy efficient dishwashing with reduced water temperature and optimized cycle time, delivering spotless results while saving energy.

Self Clean
The dishwasher is rated A for fast drying, boasts versatile features for efficient dish cleaning, including capacity, energy efficiency, and low noise.

UV Light Sterilization
Effectively eliminates up to 99.9% of bacteria and germs with built-in UV light for safer, healthier cleaning.

* Functions above may vary for selected model.
